2019 SOGAN KOREAN IMMERSION PROGRAM

The Korean Immersion Program is a four-week long program designed to help students improve their Korean language skills and learn more about Korean culture.

Language Courses
In the mornings, students take language courses designed to help improve their fluency in conversational Korean. Using an integrated teaching method, students practice speaking, listening, reading, and writing skills and learn useful vocabulary and grammar patterns. Through group projects and classroom discussions, students acquire practical speaking experience while learning about Korean culture.

Cultural Activities
Students spend the afternoons taking interactive culture classes. In addition, students take outings into the city with their instructors or teaching assistants to complete assignments that help them practice their Korean language skills in a real-world setting. Destinations include historical sites and other local points of interest. Students will also participate in culture-related group projects with Korean college students.

Field Trips
Students will have the opportunity to take several half-day field trips to visit attractions in the Seoul Metropolitan Area, including Samcheong-dong, Insadong, sporting events, and performances. In addition, students have the option of taking a 2-day trip to historic sites outside of Seoul.

Program Summary
- 4 weeks (July 1 - July 26, 2019)
- 120 hours
- 6 credits
- 4 hour language classes and 2-hour culture classes every day
- Beginner through Advanced levels offered
- Average class size of 12 (Max 16)
- Outside-of-class activities on campus and in Seoul (some activities may require an additional fee)

Academic Credits
Upon successful completion of course requirements, students will receive 6 credits. Credits may be transferred to students' home institutions by requesting an official transcript to be sent to their university's registrar's office. In order to receive credits, students are required to attend at least 80% of their classes.

Housing Options
1. On-Campus Dormitory
It is highly recommended that program participants stay in the newly-built Gonzaga & Bellamino Dormitory. As rooms go quickly, students exercising this option should pay their fees as soon as possible, and no later than May 11, 2019. For detailed information, please go to http://gonzaga.sogang.ac.kr (Gonzaga Dormitory), http://dormitory.sogang.ac.kr/ (Bellamino Dormitory). Click "introduction" and "click" facilities.

2. Off-Campus Housing
